Application Deadline: 31 Jan 2025

CAREER OPPORTUNITY

CKGE Real Estate Limited is a 100% foreign ownership Real Estate and Construction company, looking for outstanding professionals for the following post:

Facade Technician: (1 Post)

Job Description/Responsibilities:

- Develop initial facade design concepts that align with the architectural vision and client requirements.
- Perform structural analysis to ensure the facade can withstand environmental loads, such as wind, seismic activity, and thermal expansion.
- Producing technical drawings in a clear and consistent style.
- Maintaining a library of facade details, including a system of dynamic blocks for components.
- Assisting the facade leadership team in developing a strategy for facade CAD production based on BIM & parametric tools.
- Collaborating with other EOC engineers and technicians to share best practice, coordinate with practice-wide CAD standards and protocols.

Academic Qualification: Graduate/Diploma in Architectural Engineering Technology.

Experience: Candidate should have minimum 5-7 years working experience in the related field.

Interested candidates are requested to apply with complete CV within 15 days from the date of publication of this advertisement to the following address:
