Job Summary

Employment Type: Full Time

Gender: Any

Career Level: Entry Level

Salary: Negotiable

Posted On: 19 Jan 2025

Application Deadline: 17 Feb 2025

Job Description/Responsibility

- Embodiment and effective modeling of our core values for students to exhibit and practice them
- Sets ambitious goals based on backwards planning, demonstrating locus of control, and aligned with an overall vision for student success, content to be learned, personal knowledge of students, and overall instructional context
- Demonstrates deep knowledge of content and effective pedagogy, evidenced by clear and objective-driven instruction and meaningful student engagement through active learning practices
- Staff member sets clear expectations and institutes routines so as to establish and maintains a purposeful, supportive, and fun environment for learning, in which students feel safe, valued, and respected by adults and their peers
- Builds a classroom community where restorative practices are actively modeled and used to navigate student and community challenges
- Serves as Advisor to 10-15 students, motivating students across academic skill levels and cultivating students' social-emotional awareness and well-being
- Demonstrates a Team First mindset, through proactive contributions to the community, and advances his/her practice through reflection, development opportunities, participation in the professional community, and actively engaging families and community members
